The Mission of Evergreen

Evergreen Heights is a community of believers committed to leading people to passionately follow Jesus. Through His Word we discover His love and find healing and purpose for our lives. In dependence upon Him, we love and accept people from all walks of life. We invite people to enter into a relationship with Jesus Christ, and empower them to serve and reach others with His love.

We believe that God is calling us back out into our community. To our church this will mean:

- Prayer for the needs of our church and our community
- cultivating a relationship with those who need the love of Jesus
- empowering every member for service
- sacrificing our individual time, energy and busy lifestyles to serve Him
- striving for accountability in our Christian living
